Micro-Trak Systems Relocation Notice:

Dear Customer,

Exciting things are happening at Micro-Trak Systems, and we would like to share some important news with you. This letter serves as notice that we are moving to a new location. We have enjoyed doing business with all of you and there is little doubt that your loyalty with our company generated the amazing growth of our business. As a result, we have outgrown our current facility and there is the need for us to move to a new location with significantly more manufacturing and warehouse space to accommodate that growth.

We anticipate closing our current Eagle Lake MN facility on December 14 2021. The physical move is scheduled to begin on December 15, 2021 and we plan to reopen for business at our new facility in Mankato MN on or before December 22, 2021. Our phone numbers and email addresses will remain the same, as will our website address and social media accounts.

Unfortunately, there will be an interruption in our manufacturing and shipping areas for the week we will be closed for the move. Trust that we will do our best to keep the disruption to a minimum.

Please update your records with our new address.

Micro-Trak Systems, Inc.
1305 Stadium Rd
Mankato MN. 56001-5355

If you are ever in the Mankato area, please stop in for a cup of coffee and a tour of the facility. We look forward to seeing you.

Micro-Trak Systems, Inc.
